

## Director of placement dies Saturday at home

C. M. McDonald, 56, director of placements, died suddenly Saturday afternoon at his home in west Maryville, where he had resided for the past 20 years.

Mr. C. M. McDonald

A former executive of the Townsend Wholesale Grocery Co., Mr. McDonald was graduated from Kenyon College, Gambier,

Ohio, and from the executive training course of Marshall Field and Co. at Northwestern University, Evanston, Ill. He also held positions with the Columbia Broadcasting Co., Marshall Field and Co., and the Allstate Insurance Co., before moving to Maryville.

Mr. McDonald is survived by his wife, Kathryn; two daughters, Mrs. Richard M. Briggs, Washington, D.C., and Miss Marjorie McDonald, a student at the University of Missouri, Columbia; two sons, Donald Robert McDonald and Miles Townsend McDonald of the home; his mother, Mrs. Martha McDonald, West Hampton Beach, N.Y.; one sister, Mrs. Marion Hinrichs, Quoque, N.Y., and one grandson.

Memorial services for Mr. McDonald were held at 10:30 a.m. Tuesday at the Price Funeral Home, with the Rev. Howard Judah officiating.

## Interviews are scheduled for Advisory Committee

Interviews for students who wish to become a member of the Student-Faculty Advisory Committee will be held at 4 p.m. Thursday in the Senate office.

Those wishing interviews must leave their names in the Senate office before Wednesday. In the past the Advisory Committee has played an integral part in administrative decisions.

The Committee serves as an Advisory Council for President Robert P. Foster on problems which either he or the committee deems important.

Faculty members include Dr. Morton Kenner, Dr. Virginia DeMarce, Dr. Donald Petry, and Dr. Charles Thate.

## Funds sought for planned improvements

By Sister Mary Jane Romero  
Why has the construction of new facilities at MSC been delayed since their need is immediately evident?

Answer to this often repeated question is: Building and funding being so closely related, the delay in expansion is due to lack of funds. For the past four years the Missouri State Legislature has provided funds toward the repair and replacement of existing MSC buildings but has withheld funding for the construction of new buildings. The new Industrial Arts Building was the last to be financed by the state. The new high rise residence halls were built with loans from the Federal Government.

The nationwide financial problems have affected our campus in the area of construction planning. The state has helped to finance the street, curb, and sidewalk improvements now in process, also the furnishing of window and floor coverings, the remodeling of the Administration and the old Industrial Arts buildings and similar projects.

Northwest Missouri State's present request before the Legislature for the fiscal year of 1972-73 includes funds for urgent remodeling and rehabilitation of more of the existing facilities, Dr. Don Petry, vice president of business affairs, explained.

Dr. Don Petry reviews college expansion plans.

Besides the ordinary maintenance repairs, the following projects are planned: The fourth floor of the Administration Building will be remodeled for additional classroom space, and

the theatre will be remodeled and furnished with new equipment. The basement of the Horace Mann Learning Center will be converted into elementary school classrooms, and the faculty of-

fices in Colden Hall will be remodeled.

There is also immediate need for physical plant improvements and sport facilities, Dr. Petry

## Draft policy changes predicted

Expected policy changes concerning undergraduate students' eligibility for induction and student deferment have been clarified recently by the Selective Service System.

College students who were enrolled full-time in the 1970-71 academic year will be eligible for student deferments in the 1971-72 school year if they continue to make satisfactory progress in their programs of study, Selective Service officials said this week. However, young men who entered school for the first time this summer and those who enroll as freshmen this fall will not qualify for student deferments if the pending changes to the Selective Service Act are passed by Congress. The House has completed action on the bill and final Senate action is expected this month.

Dr. Curtis W. Tarr, Selective Service director, said: "Few incoming freshman students are likely to be inducted in the near future because of the student deferment phaseout. Of the 1,034,000 incoming freshman males estimated by the Office of Education, approximately 80 per cent are 18 year olds and only 20 per cent are 19 years of age or older.

The 18 year olds will receive their lottery numbers in 1972, and

they will not be subject to induction until 1973, when draft calls should be low. The 19 year old freshmen received their lottery numbers Aug. 5 of this year and will be subject to induction next year; at least one-half should have high enough lottery numbers to preclude their induction.

Of those remaining, approximately 50 per cent will be disqualified on mental, moral or physical grounds, Dr. Tarr said. This means that a maximum of 50,000 men will be directly affected in '72 by the student deferment phaseout and one-half

of these, or 25,000, will probably not be inducted because of enlistments in regular, Reserve, or National Guard units, because of participating in commissioning programs, or because of procedural delays.

Dr. Tarr said that college students will not be drafted in the middle of a semester or term. "If called while enrolled, they will be allowed to postpone their induction until the end of the semester, or term. If in their last academic year, they will be able to postpone their induction until after graduation."

## Civil War play honors coming Bicentennial

Honoring the 150th birthday celebration of the United States, the MSC departments of drama and music plan to open Sept. 30 with a period reader's theater "John Brown's Body."

Director Richard Fetterer and choral technician Mr. Gilbert Whitney are in rehearsals this week with the cast of interpreters and a chorus of 20 representing many departments and majors. The program is planned in anticipation of the 1976 bicentennial.

The author, Stephen Vincent Benet, says that "this work is technically an epic poem" — actually a highly dramatic work with a quality of excitement unrivalled by many plays. The poem begins with John Brown's attack on Harper's Ferry and goes on through the Civil War, telling much of it from the points of view of Jack Ellyat, a Northern soldier, and Clay Wingate, a Southern soldier. The families and backgrounds of both men are woven into the action of the poem, as are their romances.

Readers in the interpretations directed by Mr. Fetterer are Paul Sherbo, Patrick Hennessey, and Francie Flannagan.

Mr. Whitney has cast the chorus and soloists from Joyce Elaine Smith, Carla Sinn, Leah Hillyard, Dinae West, Ruthi Helzer, Sheri Judd, Linda Craven, Sue Ewing, Janet Corman, Debi Ambrose, Linda Nelson, Jack Estes, Jerry-Wayne Bell, Dean Nelson, Duane Robison, Fred Honeyman, Dan Glass, Dave White, and Rick Stockdell.

The play in two acts will be presented in the Charles Johnson Theatre of the Fine Arts Building on Sept. 30, Oct. 1 and 2.

### Need help?

### Free tutors await you

A tutorial service is being set up for any college student who would like to receive help in either a general requirement or a major area course.

The service, which is free of charge to the student, will be strictly confidential.

Anyone who is interested in getting free tutoring should contact Mrs. Donna Brandt in the Admissions Office or Mrs. Martha Cooper in the Registrar's Office.

## LITTLE MAN ON CAMPUS

## Questions of Survival

Where do I pay my Traffic ticket? My last ticket directed me to the Dean of Student's office, but the traffic office isn't there!

The traffic office has been moved to the business office. There were several reasons for this, the chief one being that it was felt the staff members there were better able to handle the collection of fines than the Dean of Students office. Right now, however, they are having a few difficulties with a limited amount of space.

Delinquent ticket holders are notified by letter. If there is a problem, it is handled through Mr. Bruce Wake, dean of men, through petitioning procedures. If you feel you were unjustly ticketed, why not check it out?

Also, you should pay that ticket quickly. If paid within 48 hours, the fine is half the assessment.

Contrary to rumors, there are repercussions if they are not paid. This semester there were a number of students that were not allowed to pick up books (if they were pre-registered) or register until they paid bills. This worked well last semester, and the staff plans to continue it.

I eat in the cafeteria. Why can't I have one serving of each vegetable instead of two of either one?

After discussing this matter with Mr. Glen Vogt, director of food services, we learned that effective Monday, you will be allowed to choose either one of each or two of one kind.

Mr. Vogt commented it might be difficult to determine the amount of vegetables to have prepared, but he is willing to change this rule to please you and other students, Mr. Questioner. He also asked that if you or anyone else has any other complaints or questions to please come and talk them over with him. It isn't possible to please everyone all the time, but he tries.

# Lack of quorum—Work stymied

Recently, the leaders of two of the main student campus organizations "retreated" for a weekend to set up a format of the year's activities, but I am wondering: Did they accomplish their goals?

Union Board co-chairmen, senators, and several administrators took part in a spaghetti supper and bonfire Friday night. Saturday, after breakfast, the committees met from 10:30 a.m. until noon, and from 1 until 2 p.m.

The period from 2-4 p.m. was spent swimming, and from 4 until 5 p.m., a joint meeting was held. The retreat ended at 5 p.m. Saturday.

Besides news of a fun weekend as expected, Union Board co-chairmen presented very little news to the students awaiting results of their planning.

As last year, an all-night PARTY will be staged, along with a flea market, Den movies, and coffee houses.

A plan was initiated for a 24-hour per day individual interest group haven for students, possibly to be located in an old quad.

However, it appears that most of the student activities will be left to the students. This could leave our activities in limbo. The idea of student

participation is great — but who knows where to begin? It surely will take some special leadership!

The Student Senate was unable to approve any concrete suggestions at the retreat because a quorum was not present so that voting could take place.

Being a student senator is a big honor on this campus, but will our newly-elected body have their jobs stop with being an honor? Isn't responsibility included? Why didn't more senators participate?

The idea behind the weekend was to plan activities. Is it too much to ask of those who were elected by the students to fulfill their responsibilities that surely should go with the official titles?

—Sue Waters

## Go casual; most people do

Cut-off's, sandals, tee-shirts, jeans — these are the clothes that make the classroom scene.

Have you noticed the casual look that has invaded our classrooms? Everyone is more informal and relaxed this year than during previous first weeks of school. No one gets too excited about clothes or classes. Whatever is handy is good enough for class — at least for those hardy lads and lasses who can stand to come.

Heat has played an important part in regulating dress this fall, it's true. Nobody actually wants to be dressed in 100 degree weather. (Some days recently, Colden Hall's third floor would have done nicely for a simulation of Dante's Inferno.)

Dress may not be important in making students' thoughts any clearer, and sometimes casual dress and attitude lead to more informal and active participation in discussion.

Clothes aren't the important issue for today's college students. Rather, they are concerned with the academic issues that confront them, both in the classroom and in the world beyond the campus. Those who remark about the informality of dress should also note the learning that takes place.

It's not the outside covering that makes a plain brown sack interesting but the surprises that it holds.

## Organizational Fair scheduled for MSC

The annual Organizational Fair will be held September 29 in Lamkin Gymnasium.

Sponsored by the Student Senate, the purpose of the fair is to inform the students of the varied extra-curricular organizations on campus. Participating members will present displays and explain to interested people about their respective group.

## Students to show new activity cards

Beginning this fall, students will be required to show their student activity ticket in order to be admitted to college events covered under the activity fee.

This ticket was included in the registration packet, but is valid only when stamped by the Business Office. A validated ticket will admit a student to athletic events as well as various other college-sponsored programs. These tickets are valid for one semester only.

As in the past, faculty will be required to present a staff activity ticket, which may be purchased at the Business Office for \$5.50. These tickets are valid for the academic year.

## Another card?

Typical scene: a student stands in line to get his sheet so he can pay his fees. He gives his name to the secretary who presents to him an added attraction — an activity card. The student's reaction — "What? Another card to carry?"

This scene was repeated probably 5,000 times in the past two weeks as students found that their I.D.'s would no longer suffice to get them into activities. Instead we now have one more card to carry, forget, or lose.

Students may or may not be reconciled to the fact that the whole world is turning into a card-carrying society. We now have cards which allow us to pay for gas, hotel rooms, rent-a-cars, travel expenses ad infinitum. It has almost become a sign of success to exhibit a wallet bulging full of cards showing memberships, identification, or credit ratings.

So, students, don't despair! Now maybe we can all pass for "successful citizens" as we cart around our I.D.'s, meal tickets, driver's licenses, students numbers, charge cards, and — oh yes, activity cards!

# 184 named to dean's list

NORTHWEST MISSOURIAN—SEPT. 17, 1971—PAGE THREE

Dr. Charles H. Thate, vice president of student affairs, has announced the names of 184 students named to the Dean's List for academic excellence during the 1971 summer session.

The Dean's List, compiled at the end of each semester, recognizes those students earning a grade point of 3.5 or higher on a 4.0 scale.

Seventy-three students who received perfect 4.0 averages were Karen Adcock, Laura Anderson, Cheryl Ballew, Linda Barglof, Sara Barlow, Judy Beemer, Ronald Cady, Earnest Campbell, Juna Chambers, Theodore Chandler, Lavonne Chimbrel, William Churchill, Mildred Clayton, Larry Dack, Cynthia Davis, James Earsom.

Also earning "A" averages were Myrna Ellison, Stanley Frese, Janet Gayler, Darlene Grebert, Lynda Hall, Douglas Handley, Randall Handley, David Hardy, Phyllis Hardy, Velma Hendrickson, Jacqueline Hogrewe, Scarlet Horine, Larry Hylarides.

Lynda Jacobsen, Keith Joens, Dwight Johns, Nancy Jones, Mary Kish, Margo Knapp, Deborah Lambright, Diane Leseberg, James Leu, Larry McCarty, Derrick McCord, Janet McCormack, Mary Meyer, Donna Patterson, Peggy Rainey, James Ralston.

Madonna Rath, Wilma Reasoner, Wilma Rollen, Karen Rushton.

Claudia Sanders, Dorothy Saville, Judy Schooler, Gladys Sick, Cinda Steele, Sandy Stephens, Susan Stephens, Michael Stocker, Donald Summers, Gayle Taylor, Dennie Trappe, Frank Trump,

Rebecca Turnbull, Jimmy Van Fossan.

Robert VanScyoc, Lois Varley, Timothy Vuagniaux, Beverly Warner, Sharon Welsch, Sandra Wentworth, Linda Winkler, Linda Wright, Bruce Young, Sherrie Zarr.

Students posting averages of 3.5 through 3.99 during the summer session were Becky Ackerman, Linda Allen, Donald Allenbrand, Clayton Alumbaugh, Stephen Anderson, James Bailey, Rebecca Barnes, Elizabeth Baumli, Victoria Bertram, Nancy Boyer, Nancy Bredensteiner, Frank Campbell, Eileen Carstenson.

Others earning 3.5 or above were Beth Caven, David Christensen, Liss Christensen, Marcia Cline, Elaine Colborn, Carla Cornelius, John Costello, Bonnie Cox, Mary Cross, Carol Dalbey, John Eischeid, Margaret Fairman, Mary Felumb, Karine Finley.

Deborah Fogal, Loa Ford, Stanley Funston, Karla Gerdes, Virginia Gleason, Deborah Goodwin, Patty Hagan, Esther

Hannah, Barbara Hansen, Cheryl Hansen, Edith Harris, Jimmie Harshberger, Mary Haymaker, Cynthia Hill, William Hillix, Susan Hockensmith.

Beverly Hodges, Barbara Holden, June Humphrey, Peggy Huss, Diane Jacobs, Jane Kariker, Joy Kemp, Kenneth Kerwin, Raymond Klocke, Richard Knauss, Ronald Knop, Katherine Kropp, Robert Lanigan, Judith Lawyer, Ronald Levis, Teresa Lowe, Steven Lyle.

Brian Lynch, Richard Mahnke, Beckie McAllister, Lewis McGowan, Drew McLaughlin, Janet Merrigan, Karlyn Miller, Jolene Mullins, Judith Musch, Rebecca Nelson, Patricia Nichols, Norma Ninceheler, Steven Nish, Nancy Ohms, Susan O'Riley.

Kenneth Paschall, Larry Pearl, Janis Peterson, Robert Peterson, Joyce Powell, Denise Quinley, Mary Reine, Patricia Reisinger, John Rice, John Richmond, Rebecca Riesgaard, Gerald Riggs, Roslynn Roberts, Edmund Schieber, Maureen Schieber.

Gerre Schmitz, Nancy Schmitz, Donald Seamonds, Rena Searl, James Sleister, Susan Smith, Marian Tadlock, Virginia Thompson, Christine Thomson, Gayle Troutwine, Cleota Vogel, Robert Wagner, Michelle Walter, Linda Webb, Naomi White, Connie Wilson, Teddie Wood, Don Woodburn, Ronald Woolsey, Janet Yeager, Charles Zook.

## Veterans' Club to hold meeting

The MSC Veteran's Club invites all veterans to attend its club meetings on the second and fourth Wednesdays of the month.

The next meeting will be at 7:30 p.m., in the Student Union's Oak Room. Harold Moore, the commander of the local American Legion post, will discuss some of the GI benefits.

## Symphonic band to give concert

MSC Symphonic Band has been chosen to present a concert at the Missouri Music Educators Convention in Jefferson City on Jan. 13, according to Mr. Ward Rounds, director of bands here.

This organization is made up of all the music teachers in the public schools and colleges in the state of Missouri. Although many college bands submitted tapes of previous concerts to the Missouri Music Educators Program Committee, only the MSC band was selected to perform as the outstanding college band.

## Students invited to Union Board

Students interested in participating in this year's Union Board are invited to a general meeting at 6 p.m. Wednesday in the Union Lounge.

Committee work will be explained, and committees will be formed at the meeting. Co-chairmen will be in the Den Monday, Tuesday, and Wednesday to answer questions about Union Board.

All students are invited to become involved in this organization headed by Bruce Stadlman.

## UN plan session

All persons interested in participating in a Model United Nations are invited to attend a meeting at 7 p.m. in the Sycamore room in the Union. All old and new members are invited.

Mr. Gerald Hickman, instructor of social science, is the group's sponsor.

## Class schedule correction

The schedule of classes for the chemistry department was inadvertently omitted from the spring class schedule published in the first run of the last Missourian issue.

Students who plan to take chemistry courses may pick up a corrected schedule at the Advisement Center in the Administration Building or in the Missourian office, CH 116.

## Choir openings

Interested students are invited to join the choir of the First Methodist Church of Maryville, according to Mrs. Henry Howey, director.

Rehearsal begins at 7 p.m. each Wednesday in the church sanctuary. Students needing more information or transportation may call 582-5775.

## Activity shots for Tower

Campus organizations that wish to be represented in the 1972 Tower should contact the Tower office between 11 a.m. and 1 p.m. Monday through Friday, according to Mary Kay Meintel and Mike Oliver, co-editors. The Tower office telephone number is 582-3054.

## Science fiction invades Den

At 7 p.m. Sunday, the Union Board will be showing in the Den two science fiction movies, "It Came From Beneath the Sea," and "King Kong Escapes."

The double features, which are being presented free this year, will continue through the semester. On Sept. 26, two full length animated movies will be shown, "Pinocchio in Outer Space" and "Hoppity Goes to Town."

## Symphonic Band auditions

Auditions for the Symphonic Band will begin next week. These auditions are open to all students on campus and will be held in the Olive DeLuce Fine Arts Building in Director Ward Rounds' studio, Room 111.

## Christian Science meeting

The Christian Science Organization invites all faculty and students to a meeting at 7:30 p.m. Monday in the Oak Room of the Union.

## MSC student charged with burglary counts

Robert B. Goode, MSC student the past summer, was tried in magistrate court Aug. 25 and bound over to circuit court.

Goode was charged with three counts of burglary and larceny concerning the theft of a color television set from an MSC dormitory, a stereo record player, and a closed circuit television from the MSC education department.

He is free on \$3,000 bond until his trial in October.

## FOR RENT

## Senate hears charges of 'improper procedure'

A three-man investigating committee to inform administrators of alleged "ill-advised and negligent acts" regarding student hearings during the summer semester was formed during the Tuesday night meeting of the Student Senate.

Charges of improper procedures were directed for clarification and information toward administrative members of the Student-Faculty Discipline Committee. Senators contended that those cases heard during the summer session should be presented before a student-faculty committee again, since they felt earlier hearings were not conducted properly.

The case of one MSC student was cited as an example. Doug Hill was denied on-campus parking and driving privileges for the fall semester and was fined \$25 after being charged for driving his car on campus sidewalks.

Hill's verbal appeal to one administrator was denied. The student claimed that his fines were based on a case heard last year and that he was treated

"too quickly and severely" by personnel involved.

Senators passed a constitutional amendment designating the formation of a Student Information Board. The board will provide the Student Information Center with material on drugs, draft laws, birth control, and other information relevant to student needs. Board members will include an unlimited number of students, five of whom must be Senators.

Anita Cox, representing Alpha Psi Omega, honorary dramatics fraternity, questioned the legality of four points listed in a bulletin from the speech department chairman. One of those points, that the department chairman would select a sponsor for Alpha Psi Omega, was cause for specific dissent, she said.

Miss Camille Walton, director of student activities, clarified the limits of a department chairman's powers when she quoted from the Student Handbook that advisers are appointed by the college president or chosen by the organization.

## Freshman elections set for Thursday

Freshman elections will be held from 10 a.m. to 6 p.m. Thursday at polls set up in the Union and the new cafeteria.

Freshman students will elect one senator, a secretary-treasurer, a vice president, and a president. The senator and the president will each have a vote at all Senate meetings.

A senator and a faculty member will man each poll at all times. Cliff Wallace, chairman of the Senate election committee, urges all freshman students to vote.

## Wrestlers to meet

Coach George Worley has called an organizational meeting for varsity wrestling beginning at 7:30 p.m. Wednesday in the first aid room of Lamkin Gymnasium.

## APRON STRING STATISTICS

"In the 18-to-24 bracket 67 per cent of the young men and 48 per cent of the young women are single."

—Parade Magazine

## Drama tryouts open Monday for 'Desire'

Mr. David Shestak, instructor in speech and drama, has announced open tryouts for a modern tragedy "Desire Under the Elms."

Students in any major are invited to attend the tryouts, to be conducted by Mr. Shestak at two times: Monday, Sept. 20, beginning at 7 p.m. he will hold readings in the Little Theater for seven major roles, or an appointment may be made for Monday, Oct. 4, from 3 to 5 p.m.

For the tryouts, the students should prepare a three to five minute memorized, prepared scene from one of the following plays: Death of a Salesman, Oedipus, Hamlet or Macbeth, Ghosts, or Hedda Gabler.

Each tryout also will have a well-rehearsed but not necessarily memorized reading from "Desire." The director has posted suggested scenes on the call board outside the Little Theater.

Non-speech majors and any other individual interested in the

theater are especially welcome to tryout, Mr. Shestak emphasized.

"I want each person to demonstrate his or her best ability and sensitivity. The tryouts will be extremely competitive. I will be more than glad to talk with anyone about my concepts concerning the characters and the play," he added.

Scripts for "Desire" or any of the other plays may be checked out in Mr. Shestak's office.

## Sororities pledge 52

After a week of parties, picnics, and new friends, 1971 rush came to a close as the five campus social sororities pledged 52 members.

New pledges of Alpha Omicron Pi are Patty Miller, Cheri Wadum, Ann Bradley, and Rhonda Manly.

The newest members of Alpha Sigma Alpha are Nancy Armstrong, Janet Babb, Denise Chambers, Debbie Dale, Denise Haage, Ann Handley, Brenda Kirk, Robin Lamb, Patty Littrell, Becky McAllister, Patty Merrick, Darlene Senne, and Melanie Wiles.

Delta Zeta pledges include Lynn Lambeth, Diane Snook, Teresa Shonk, Janet Short, Rhonda Lockman, Debbie Herron, Diane Nolte, Kris Kiaser, Margie Dale, Debbie Parman, Linda Laeupple, and Ruth Ann Helzer.

Coeds accepting bids from Phi Mu fraternity were Nancy Jones, Cathy Davis, Brenda Turley, Kathy Kuquet, Sherry Bacon, and Denise Jacobsen.

Sigma Sigma Sigma announced 16 pledges including Linda Schelling, Carole Sutton, Joan Miller, Carol Chappell, Janice Walker, Connie Sly, Cheryl Watkins, Nancy Torpey, Cheryl Wilson, Susan Swan, Pam Fulton, Teresa Fryar, Deb Coughenower, Deb Edmonds, Connie Coe, and LaDonna Pigg.

## VALUES

"A laugh is worth one hundred groans in any market."

—Charles Lamb

## Summer graduates receive high honors

Twenty-three of 152 bachelor's degree recipients at the college's summer commencement were graduated with academic honors, according to Dr. Charles H. Thate, vice-president for student affairs.

Eight of the graduates were graduated "with highest honors," and 15 were graduated "with honors."

Those who graduated "with highest honors" are:

James Morris Berndt, Mercer; Lionel Keith Brown, St. Joseph;

Mildred Elaine Clayton, Orient, Iowa; Mary Ann Cross, Hopkins; Velma Berg Hendrickson, Clarinda, Iowa; Jacqueline Marie Hogrewe, Huntsville, Ala; Vicki Ann Horton, Maryville, and Janie Marie Ridnour, Clarinda, Iowa.

Those who graduated "with honors" are:

Karen Oswalt Adcock, Bethany; Victoria Ann Bertram, Shenandoah, Iowa; William Ike Churchill, Guthrie, Okla.; Nancy Marie Hohn, Missouri Valley, Iowa; Judith Anne Lawyer, Spirit Lake, Iowa; Barbara Harr Logan, Columbia; Gary Maulfair, Palmyra, Pa.; Susan Karen O'Riley, Fairfax; Charles Michael Schofield, Hamburg, Iowa; Bonnie White Sutton, Maryville; Steve Alan Sutton, Maryville; Mary Helen Van Every, Independence; Timothy Darrell Vuagniaux, Des Moines, Iowa; Darrel Lee Warren, Stewartsville, and Marilyn Ann Zeiger, Woodhaven, N.Y.

## Workshop set . . . Funds for improvements for teachers of language

Improved methodology and techniques, and newer concepts concerning the nature of language and language learning will head the objectives for a 10-week fall in-service teacher education workshop opening Tuesday.

William O. Clapper, modern foreign language consultant for the Title III of the National Defense Education Act (NDEA), will conduct the workshop for teachers of modern foreign language.

The workshop is designed for a maximum of 33 persons, and 25 applications have already been received, said Mrs. Elaine Mauzey, chairman of the MSC department of foreign languages. The remaining openings in the workshop will be processed, as were the first 25, on a first-come, first serve basis.

Sessions, scheduled to begin Tuesday, will be each Tuesday from 7 to 9 p.m. in MSC's language laboratory in Colden Hall.

Following successful completion of the 10-week course, the enrollee will receive a certificate of attendance from the State Department of Education.

Language majors are encouraged to audit the course, Mrs. Mauzey said.

## IMB offers students valuable aids

The Instructional Materials Bureau, located in Wells Library, invites you to discover and utilize its valuable storehouse of materials.

The bureau is directed by Mr. Luke L. Boone, who is aided by a secretary, Mrs. Holly Clemens. Hours are Monday through Friday, 8 a.m. to 4:30 p.m., and Saturday, 9:30 a.m. to 12 noon.

Located in the IMB is a four-county resource center dealing primarily with language arts. The staff aids school systems with the laboratory materials.

The IMB also serves as a film library for 18 counties. There are approximately 1,500 films available. The staff here orders films for instructors, packages films for use, refills the films when returned, and collects

. . . From page 1

said. This entails the restoration and development of playing fields for all students in either intramurals, recreation, athletic, or physical education programs. The farm shop and the greenhouse will be restored and an air-conditioning system installed at Colden Hall.

MSC has requested funds for the next two to five years for the following: an addition to the Martindale Gymnasium, the relocation of the stadium and the construction of a new Learning Resource Center. If funds are forthcoming, this Center will be located where the present stadium is now. The new stadium will be on the far west side of campus parallel to Country Club Drive.

The request also includes money for the completion of the

basement of the DeLuce Fine Arts Building, remodeling of the Wells Library for specific offices and classrooms, and construction of a warehouse and garage.

The five-year building plan, includes construction of an astronomy and planetarium building and an addition to the boiler plant. Other five-year improvements at the Horace Mann Center include additional classroom and office space, as well as air-conditioning.

All of the long range plans are carefully evaluated and revised annually, Dr. Petry said. This makes it possible to project possible improvements as far as 10 to 15 years in advance. Such longer range projections will be considered in a following issue of the Missourian.

## Wilson Fellowships to undergo change

This fall, for the first time in more than 20 years, there will be no Woodrow Wilson Fellowship competition.

In announcing that the fellowship program would be temporarily suspended, H. Ronald Rouse, national director of the Woodrow Wilson National Fellowship Foundation, said, "Funds currently available to the Foundation for first year graduate fellowships are being used to

support more than 200 Fellows during the 1971-72 academic year. Prospects for securing new funds are uncertain. During the coming year, trustees and officers of the Foundation in cooperation with representatives of the academic world, will design a new fellowship program taking into account recent developments in graduate education and in the teaching profession, and seek funds for this new program."

evaluations from the instructors using the films. It is not uncommon for the IMB to process and lend 50 films a day.

Drafting, photography, and production have their place in IMB center. The center contains several of the latest innovations in photography.

Closed circuit television is also scheduled at the IMB center. Taped playbacks amount to 45 hours weekly. The science department has 16 sections and the speech department has 10 sections of playbacks.

Although the IMB assists in

group learning experiences, it does not neglect individual needs. Students are urged to take advantage of the facilities. Individual aids include loop film projectors, viewer sound film strips, recording systems with head sets, records, and transparencies. Filing cabinets are available to help locate material on specific subjects.

"The staff of Instructional Materials Bureau wants to share with you its wealth of knowledge. They will be glad to assist in your discovery of this department," Mr. Boone said.

## Tower pictures are being taken

Class pictures for the Tower will be taken in the Maple Room of the Union from 8 to 4 p.m. on the following days:

Today—seniors.

Sept. 20-24—juniors.

Sept. 27-Oct. 1—sophomores.

Oct. 4-8—freshmen.

Graduate students — Any time through Oct. 8.

Student teachers — Time will be arranged.

School of Practical Nursing — Sept. 28-Oct. 8.

Please dress appropriately. No t-shirts, tank tops, and similar dress.

Faculty members will be pictured in the '72 Tower in a way different from previous years. Staff photographers will be wandering through the campus and classroom buildings this month, looking for informal shots of instructors.

The Tower editors and staff think the faculty will be presented more interestingly in this manner, rather than in posed portrait shots. By this method, they also expect more of the teaching personnel to be pictured in the book with greater accuracy in identification.

Five experienced student photographers are now members of the Tower staff. They not only are taking all the pictures for the yearbook, with the exception of student class pictures, but are developing and printing them in the Tower darkroom laboratory that contains the latest and most professional equipment available.

## . . . Draft policy

. . . From page 1

Dr. Tarr advised incoming freshmen and students who started their program of study in the summer of '71 or later not to file applications for student deferments even though the current law authorizes granting deferments to students in full-time programs of study.

"If the pending Selective Service legislation does not pass," Tarr said, "it would not be in a registrant's best interest to obtain a student deferment which would extend his liability until age 35. Should Congress change the legislation to provide for deferments for new incoming fresh-

applications for deferments will not be jeopardized by delaying their submission until after passage of the new law."

The President's authority for the induction of all men under 35, except for those who now have or who have had deferments, expired on June 30, 1971. If Congress does not reinstate the general induction authority, the President could authorize the induction of those registrants who hold or have held deferments. In this unlikely event, Selective Service officials believe that manpower requirements of the Department of Defense probably could be met by inducting those young men who have recently dropped deferments

# THE STROLLER

As I strolled through the corridors of Colden Hall, I passed what must have been a foreign language class, (German, I think) because strange sounds were floating out of the room. But the sounds weren't the strangest things coming from that room!

To my surprise, a huge white German shepherd trotted nonchalantly out of the class. Who ever heard of a nonchalant dog? Well, who ever heard of a dog taking German?

This year's football camp and practices have certainly separated the men from the boys.

## The 'Shadow' premiere Oct. 7

Who knows what evil lurks in the hearts of men?

The Shadow does and so will all MSC students who follow his adventures on KXCV-FM at 7:30 p.m. every Thursday, starting Oct. 7.

A phenomenally popular radio series that ran from 1938 to 1954, "The Shadow" was resurrected in 1963 by the original distributor, Charles Michelson, Inc. Its success has kept the dramatic series on radios throughout the country.

Walter Gibson, author of the series, also wrote the famous book series Frank Merriwell, Horatio Alger, and Nick Carter. Such famous stars as Orson Welles, Everett Sloan, and Agnes Morehead appeared as regulars on the program.

To all of you brave men still on the Bearcat squad—good luck! I'll be on the sidelines cheering for you.

Last week I told you how hard it is to find Room 121 in Colden Hall. That's not always true. As I sat in the student lounge trying to catch some prime subjects to write about, I saw two girls, speaking in broken German, going in the direction of 121.

Suddenly, I heard a burst of embarrassed giggles. Instead of seeing a German shepherd walk out of the room, the coeds ran out—a class was obviously in session. Shocked and embarrassed, one of the girls gasped, "That was our German teacher!"

"Oh no!" said the other and they once more fell into fits of laughter.

Almost everyone has heard the lover's cliché "fell for you." I was coming from the Administration Building the other day when I saw a weird thing happen. A young man was sitting on a bench when suddenly, as if someone hit him, he fell off! Several other students and I strolled closer to see if he was all right. Obviously he was because he looked up and said, "I guess I really fell for you!"

We all laughed and went on our ways. The young man got up and sat back on the bench and tried to act as if nothing had happened. He may be surprised to learn that the Stroller saw his little accident! But, all MSC students should know by now that I never miss a thing, no matter how embarrassing. So beware!

# Bicycle freewheeling . . .

Who are the daring young men (and brave young chicks) who ride their bikes to school only to find no place to put down the kickstand? Is there a direct ratio between the number of bikes on campus and the number of trees to lean them against? What was the easy rider's last statement as he was flattened against the curb by a power-hungry GTO?

These and other questions are the chief concern of you, whether you are on the steering end or the pedestrian end of the handlebars.

At the end of the day, the bike rider throws his books into the basket, pedals off into the street scene, and hopes that tomorrow he will beat out that 10-speed racer for the slot in front of Garrett-Strong.

Support your local bike . . . Chain a Schwinn.

## New program planned for MSC future teachers

A significant program for elementary and secondary education majors has been developed by the MSC chapter of the Student Missouri State Teachers Association - National Education Association (MSTA-NEA).

Planned activities include involvement in professional projects similar to those encountered in the teaching field, as well as participation in Homecoming events and chapter parties. One meeting will be in the old one-room schoolhouse on campus and another meeting will feature President Robert P. Foster as guest speaker.

The fact that a student has been an MST-NEA member will be noted on his permanent record. Such notation might prove helpful to him in securing a teaching job after graduation, one SNEA leader said.

Through the organization, members become prepared for student teaching assignments by being introduced to the history, ethics, and program of the

teaching profession. Subscriptions to local, state, and national publications, including Today's Education, are covered in the \$4.10 membership dues.

A get-acquainted event for those interested in joining the local chapter will be Sept. 22. Meetings are the second and fourth Wednesdays of each month at 7 p.m. in the Upper Lakeview Room.

MSC officers include Jan Pollock, president; Karen Harrell, vice president in charge of projects; Dave Christensen, vice president in charge of programs; Connie LaBanca, treasurer; and Jackie Hartley, recording secretary. Chapter adviser is Dr. Wanda Walker.

### Bob Robbins: 'Study John's gospel under Bell Tower'

Bible studies, featuring general discussions of the gospel of John are conducted under the Bell Tower at 7:30 p. m. each Tuesday, according to Bob Robbins, leader of the study group.

"The Bell Tower was chosen as a meeting place since it is centrally located on campus. Students spreading John's gospel of love can branch out from there," Robbins explained.

Students of all denominations are invited to participate in this study program sponsored by the Baptist Student Union.

### Gymnastics club is open to all

Anyone interested in gymnastics can join MSC's gymnastics club which meets every Thursday night from 6:30 to 8 o'clock in the Martindale Gym.

Officers of the club are Dwyla Young, president; Jim Baldridge, vice president; Karen Grimsene, secretary; Marylyn Duffett, treasurer; Sue Rockton and Nancy Ketchem, reporters.

Mrs. Janet Moss is sponsor.

## Freshman cheerleaders elected

Freshman cheerleaders for the 1971-72 season were elected recently by the coaches and co-captains of the varsity football, basketball, and wrestling squads. Twenty-five coeds participated in the tryouts.

The four new freshman cheerleaders are,

Linda McGuire, an active blonde coed from Kansas City, has had no past experience in leading cheers. She was graduated from Northeast Senior High School and is excited about her first opportunity to be a promoter of school spirit.

Tanya Kiertzner, also a blonde, and a graduate from Storm Lake High School, has been a cheerleader since the eighth grade. She was head cheerleader during her sophomore year of high school.

Linda Cleveland, the third blonde on the squad, is from Council Bluffs. She has also been a yell-leader since the eighth grade and served as head cheerleader during her senior year.

The only dark-haired coed on the squad is Brenda Turley from Mt. Pleasant, Iowa. Brenda has been leading cheers since the seventh grade and also served as head cheerleader during her senior year of high school.

Ready for a new season's start are the recently elected freshman cheerleaders. From left clockwise, they are: Tanya Kiertzner, Linda Cleveland, Brenda Turley, and Linda McGuire.

## PEM Club elects board

New officers of the PEM Club (Physical Education Majors for Girls) were elected at their annual fall picnic Sept. 6. Approximately 80 club and faculty members were present.

The new leaders are Mrs. Dorothy Walker, sponsor; Marylyn Duffett, president; Janet Irvin, vice president; Nancy Kerber, secretary; Nancy Barrett, treasurer; and Becky Brinkman, publicity chairman.

Veronica Ewing and Kathie Moore have been chosen as co-chairmen of Career Day, which is scheduled to be held Nov. 20. The purpose of the event is to acquaint junior and senior high school girls with the women's physical education department at Northwest Missouri State College. All women physical education majors are welcome to attend.

### Dolphins schedule beginning session

The Sigma Phi Dolphins swim club will hold its first meeting at 5:30 Wednesday in Martindale Gymnasium.

There will follow three weeks of workshops in which prospective members will receive instruction in the various skills involved in synchronized swimming. Mrs. Barbara Bernard is the club sponsor.

Tryouts for membership will be held Oct. 13. The only qualifications are an elementary knowledge of swimming and a sincere interest.

# Omaha to test 'Cats

Coach Gladden Dye's Bearcats will hit the road tomorrow for an afternoon clash with the University of Nebraska-Omaha in the 1971 season lidlifter for the new-look MSC gridmen.

Coach Dye has not been pleased with the 'Cats' overall progress since the beginning of spring practice, but the mentor noted that his charges have shown marked improvement during the past two weeks.

The Bearcats have been experiencing offensive woes during their intrasquad scrimmages as they have had numerous injuries to key personnel and are having the expected troubles of learning Coach Dye's system.

The 'Cats held a Saturday scrimmage, which Coach Dye termed the "most encouraging scrimmage to date." Sophomore quarterback Mike Kennedy caught the coaches' eyes with his passing performance and may have taken over the starting position. Kennedy completed six of the 13 attempts in his effort to become the number one signal caller.

Coach Dye was also encouraged by the performances of running backs Greg Hansen and Tom Legg. Hansen, a 200-pound sophomore, "runs with authority and will add some punch to our running game," according to his-

coach. Legg, a 150-pound freshman from Oak Park, is described as "a scat-back type, a runner who can turn on a dime."

Steve McCluskey, senior flanker, will be counted on to turn in his usual respectable pass catching performance. McCluskey was the 'Cats' offensive leader last season and is a good bet to repeat this year.

Looking to the Omaha game, Coach Dye was unimpressed by Morningside's 31-14 victory over UNO, noting that Morningside is one of Iowa's better small colleges, and a team which plays a high quality schedule.

Coach Dye, in assessing the Bearcats' hopes, stated, "They are just beginning to learn my system, and have only learned about half of our offensive and defensive plays, but I think that if we execute what we know, we will give a good showing of ourselves," adding that the defense has made progress, although there is much room for improvement.

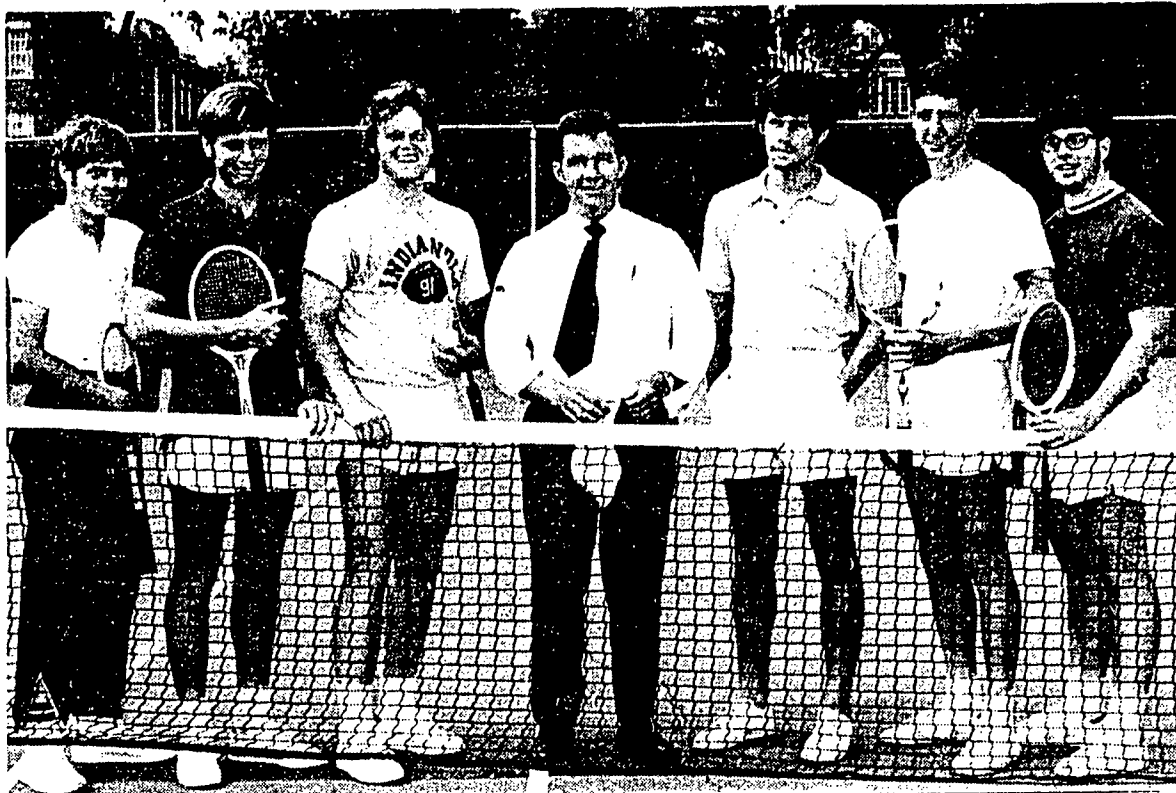

How good will MSC be this year? That is a question which has been much traveled during the last month. Perhaps we will find out tomorrow. It is much more likely, however, that it will take five or six games to see—really see—if we are to finally be considered seriously as MIAA contenders or not.

## FRESHMAN FOOTBALL SCHEDULE

Sept. 20, Tarkio, Tarkio, 7 p.m.  
Oct. 4, Centerville Jr. College, Centerville, Iowa, 7:30 p.m.  
Oct. 18, Peru State, Maryville, 7 p.m.  
Oct. 25, William Jewell, Maryville, 7 p.m.

As a result from a shift in assistant coaching duties, instigated by Coach Gladden Dye, Mr. George Worley, formerly an assistant offensive coach, will assume the responsibilities of directing the 1971 freshman football team.

Coach Worley is also the new defensive line coach. He teaches some swimming classes, and is the head wrestling coach.

The Bearcat tennis squad, MIAA conference champions, were led throughout the year by John Van Cleave, Phil White, John Gardner, Coach John Byrd, Fred Seger, Ed Douglas, and Larry Wank. The 'Cat netters went on to the NCAA

national tournament at DePauw University, Greencastle, Ind., finishing ninth in a field of 28 teams. All of the lettermen are returning except Gardner.

—Photo by Heywood

## Tennis coach sees strong team

Coach John Byrd's Bearcat tennis team, holders of the MIAA Conference Crown, second place finishers in the NCAA National Tourney, face a stiff schedule for the 1972 season.

The Bearcats crushed Northeast Missouri State's hopes for a ninth consecutive conference title as they swept the MIAA tournament held in Rolla, May 14-15. The conference victory capped a highly successful regular season, as the 'Cats won 14 dual meets while losing only five. The losses came from the hands of highly venerable opponents, including the University of Missouri, the

University of Kansas, and Oral Roberts University, Tulsa.

Conference champions in the singles division were John Gardner and freshman Phil White. John Van Cleave, Fred Seger, and Larry Wank took second place honors in the singles event for MSC.

The combined efforts of Ed Douglas and Phil White gained MSC the No. 1 doubles title as they out-battled the top-seeded duo from Northeast State. Also gaining first place in the doubles division were Wank and Gardner, along with Van Cleave and Seger.

Coach Byrd is highly optimistic about his charges' outlook for the upcoming campaign; however, the 1972 schedule will be one of the Bearcats' toughest, as Nebraska, Kansas State, and the Oral Roberts tournament have been added.

The 'Cats will have five lettermen returning in Van Cleave, Wank, White, Douglas, and Seger. Dr. Byrd intends to reinforce last year's squad with Qamar Kahn, West Pakistan, who is currently ranked second in his homeland in his age category; Peter Carr,

Williamsville, N.Y.; Everett Hoffman, St. Joseph; and Pete Hales, Dallas, Tex., who placed third in the Texas Regional Tourney held in Dallas this past season.

"We are looking forward to a good season, but it will take a lot of hard work to do as well as we did last year," stated Byrd, in regard to the stiffer schedule.

## Cross country men win first contest

The Bearcat cross country team, paced by Ron Beegle, turned in its first victory as the men outran the Peru, Neb., Bobcats, 26-31 (low score wins) on the MSC course Wednesday.

Beegle, running for the first time at MSC, toured the field in 20:43 to easily outclass Peru's Dave Harris, who finished second with a time of 21:09.

Other Bearcat finishers were Bill Hindry, Duane Kimble, Dennis Clifford, and Randy Baker, who placed fourth, sixth, seventh, and eighth, respectively.
